### FAVORITE PROJECT (choose one per certificate)

- North Shore Farmers Support:** Sponsors a series of interviews and roundtables that will facilitate a better understanding of the complex issues facing farmers. A North Shore Farm Directory and interactive, online Google Map are being developed.
- "Keep It Local" Campaign:** Supports the development of educational materials, including bumper stickers, clothing and media placements, culminating with an "all local" festival slated for 2009.
- Conscious Visitors Kit:** Aids in the creation of a packet of information that will help to educate visitors about their *kuleana*, or responsibility, as visitors of Kaua`i.
- Mālama Kaua`i Radio Show:** Featuring local, national, or international experts discussing sustainability issues.
- SaveKauai.Org:** If you haven't already, be sure to check out this website with all the latest island sustainability news and the most comprehensive island-wide calendar of events.
- Community Workshops:** On-going "Do-It-Yourself" workshops, including Solar and Wind Power, Gardening 101, Cooking with Ulu, Entrepreneurship, Composting, Permaculture, and many others!
- Policy:** Support the development of important legislation, such as the farm-worker housing bill, as well as advocacy on important sustainability issues.
- Kaua`i Roundtable:** The quarterly Kaua`i Roundtable meeting serves as a public forum for individuals and organizations to share information, grow partnerships, and take action on issues.
- Mālama Kaua`i TV:** Tune in to our local station in 2009 for the launching of the show about the people of Kaua`i and the latest things being done to mālama `āina.
- Green Map:** Help support the ongoing development of the Green Map, an island map highlighting local, environmentally responsible businesses, farmers markets, recycling centers, and bus stops.
